Balance in account as of 18 August 2007	\$13,327.77; after all 2007 expenses are paid, it is anticipated that we will have \$10273.97 remaining in the account
2008 Estimated Budget	\$13035.00
2008 Estimated Income	\$14448.00

## Old Business

Bylaws and Covenants: changes voted upon at last year's Annual meeting have been registered at the Court House; all changes that were voted upon passed except the shooting limitation.

Web Site: operational; web master is Monty Lee; minutes of Annual meetings; Board meetings, Treasurer's report and other relevant information is posted there.

Weed Spraying: decreased number of tanks of spray from previous years; weeds sprayed along roads August 2007; weeds being sprayed are curly cup gumweed.

Western stick tight, common mullein, tumbleweed, and mustard. More property owners indicated interest in no longer spraying for weeks.

Dave Heppe reported on the weed control issue. A motion was made by Al Montgomery to terminate the weed spraying. The motion was seconded. A vote was called for, the motion failed with vote of 12 in favor of terminating weed spraying and 21 voted to continue spraying for weed control.

#### Road Committee/Dumpster

Jerry Welch reported on the road conditions. Due to the winter snow fall, portions of the roads were treated with additional road base and large gravel was placed on the roads between the dumpsters and the first "T" in the road. This area had been particularly rutted and the grading and large gravel should help correct this problem.

A recommendation was made by association member Mike Padon that the association put in place a strategic plan showing what road or other community improvements would be made in the coming years and how much such improvements would cost. This plan would allow association members to understand how much money would be needed in coming years to maintain and improve the community. This plan should also allow association members to determine if and when future dues increases are necessary.

Jerry Welch reported on the possible options of concealing the dumpsters. The association was in favor of concealing the dumpsters with tree coverage. Joe Crotser volunteered to assist in developing a plan with tree coverage.

#### Architectural Committee:

Mike Padon, Lot 8 house plans have been approved; Steven Sigurdson, Lot 38 house is under construction; reminder that anyone planning on building needs to submit plans as soon as they are available; plans may be submitted to any Board member.

#### Grazing Leasing:

- Current lease established between rancher and developer prior to POA existence
- Current lease expires in December 2007; rancher has indicated no interest in renewing the lease

- Board has been investigating the establishment of a new lease for more than a year
- Main Benefit of Lease: grazing lease provides agricultural status to land resulting in property tax benefit for property owners
- Board Considerations
  - Practical - no rancher interest, inadequate fencing, water, cattle guard
  - Liability - vehicle-cow collisions; property and land damage
  - Natural beauty - meadows, natural grasses, well-trodden paths, cow patties, gardens and other cultivated areas
- Board Recommendation: The Board is recommending that the POA no longer pursue a grazing lease such that the land converts over time from agricultural status to residential community status - which is what we really are as more homes are being built each year.

Given that no rancher contacted by the Board has indicated an interest in grazing, the association members present at the meeting agreed with the boards' decision to not continue with any further action to seek a grazing lease.

#### **New Business:**

Annual Dues Assessment: because of anticipated future needs of more road maintenance and upkeep the board recommended an increase of 12% to the annual POA yearly dues. This would increase the dues to \$336.00 annually.

Al Montgomery moved to increase the annual dues by 12% to \$336.00.

Beth Bryant seconded the motion.

The motion passed by unanimous vote to accept the motion to increase the annual dues by 12% to \$336.00 per year. This dues assessment will begin with the dues payable in 2008.

#### **Election of Board of Directors:**

Our Bylaws state that we must have at least three directors and not more than ten. The number to be set by the Board of Directors; our past Board has set this number at 5 members.

Deanne Montgomery stated that Sue Yourishin was interested in serving on the Board but was not able to be present at the meeting.

Sue Yourishin was nominated by Anita Welch

A motion was made by Jerry Blazer to keep Deanne Montgomery, Pat Schulze, Dave Heppe and Jerry Welch on the Board.

The five members were elected by acclamation with no opposing votes.

The new Board of Directors will elect the officers of the POA.

There being no further business presented the meeting was adjourned at 2:30 pm.

Respectfully submitted

Jerry Welch  
Secretary
